Preview Email

In your **Email Template**, you can use the following special variables:

- `{{ update_password_link }}`: A link where your supplier can set a new password to log into your portal.
- `{{ portal_link }}`: A link to this RFQ in your supplier portal.
- `{{ supplier_name }}`: The company name of your supplier.
- `{{ contact.salutation }}` `{{ contact.last_name }}`: The contact person of your supplier.
- `{{ user_fullname }}`: Your full name.

Apart from these, you can access all values in this RFQ, like `{{ message_for_supplier }}` or `{{ terms }}`.
